DR. AYER

PERSONALLY

IN CHICAGO,

From and After To-day.

THROAT, LUNG

AND

HEART DISEASES

Catarrh, Asthma,

Bronchitis and

CONSUMPTION.

DR. J. WINSLOW AYER,

No. 100 Washington-st.

DR. AYER has the pleasure to announce that he intends he will PERSONALLY receive all applications for his PULMONARY REMEDIES at his office in Boston, for the "New Mode of Cure," which is increasing in commencement wherever it has been introduced. Those who cannot visit Boston may rely upon advice and any form of Medicine, and those who call, or medicines will receive the PERSONAL ATTENTION of DR. AYER personally.

The spring, autumn and winter are times when the breathing organs always suffer most, and when the greatest number of deaths occur from Consumption; and yet, as half or more of these deaths are preventable, people seem to know but little about it. While all men are not subject to Consumption, it is a fact that the tendency to it is transmitted from parent to child, and that one person in every seven of the whole human family is destined to die of it. Many persons afflicted with any form of Throat Disease, and those who call, or medicines will receive the PERSONAL ATTENTION of DR. AYER personally.

I have used J. Winslow Ayer's Pulmonary Remedies in my practice for many years, and can recommend them as containing the elements of the remedies of the materia medica, combined in the most judicious manner for their respective purposes. In cases of Throat, Lung and Heart Diseases, Catarrh, Asthma, Bronchitis and Consumption, they are the best remedies I have ever used, and I have used all that are in the market. I am, very respectfully,
